**PROXY STATEMENT
INTRODUCTION**

This proxy statement and the accompanying proxy are made available by SCWorx Corp. (the “Company”), to the holders of record of the Company’s outstanding shares of Common Stock, \$0.001 par value per share, (the “Common Stock”), commencing on or about October 26, 2022. The accompanying proxy is being solicited by the Board of Directors of the Company (the “Board”), for use at the annual meeting of stockholders of the Company (the “Meeting”), to be held at _____ on December __, 2022, at [Annual Meeting Location TBD] and at any adjournment or postponement thereof. The cost of solicitation of proxies will be borne by the Company. Directors, officers and employees of the Company may also assist in the solicitation of proxies by mail, telephone, telefax, in person or otherwise, without additional compensation. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting materials to the owners of stock held in their names and the Company will reimburse them for their reasonable out-of-pocket expenses incurred in connection with the distribution of such proxy materials.

The Board has fixed October 26, 2022 as the record date for the Meeting (the “Record Date”). Only stockholders of record on the Record Date are entitled to notice of and to vote at the Meeting or any adjournment or postponement thereof. On October 26, 2022, there were 13,010,409 shares of Common Stock and 39,810 shares of Series A Preferred Stock (convertible into 222,402 shares of Common Stock) issued and outstanding. Each share of Common Stock and each share of Series A Preferred Stock (on an as converted basis) is entitled to one vote per share.

The Company’s amended and restated bylaws provide that a quorum shall consist of the holders of at least one third of the shares of each class, and series of each class, to the extent applicable (unless more than one class and or series votes as a class, in which case a majority of the shares voting as a class) of the stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy at the Meeting. If such quorum shall not be present or represented at any meeting of the stockholders, the stockholders, entitled to vote thereat, present in person or represented by proxy, shall have the power to adjourn the meeting from time to time without notice (other than the announcement at the meeting) until a date and time that a quorum shall be present. At such adjourned meeting at which a quorum shall be present or represented any business may be transacted which might have been transacted at the meeting as originally notified. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

The Company’s amended and restated bylaws provide that directors are to be elected by a majority of the votes of the shares present in person or represented by proxy at the Meeting and entitled to vote on the election of directors. This means that the four candidates receiving the highest number of affirmative votes at the Meeting will be elected as directors. Only shares that are voted in favor of a particular nominee will be counted toward that nominee’s achievement of a majority. Shares present at the Meeting that are not voted for a particular nominee or shares present by proxy where the stockholder properly withheld authority to vote for such nominee will not be counted toward that nominee’s achievement of a majority.

In all matters, like the election of directors, the affirmative vote by the holders of a majority of the shares voted on any matter shall be sufficient for the approval of the proposals in this proxy statement and any other business which may properly be brought before the Meeting or any adjournment or postponement thereof.

All shares of Common Stock represented in person or by valid proxies received by the Company prior to the date of, or at, the Meeting, and not revoked, will be voted as specified in the proxies or voting instructions. Votes that are left blank will be voted as recommended by the Board. With regard to other matters that may properly come before the Meeting, votes will be cast at the discretion of the proxies.

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters.

In the event that a broker, bank, or other agent indicates on a proxy that it does not have discretionary authority to vote certain shares on a non-routine proposal, then those shares will be treated as broker non-votes. We believe that Proposal No. 1 relating to the election of directors is a non-routine proposal and Proposal No. 2, with respect to the ratification of the selection of the independent registered public accounting firm, is a routine matter; therefore, your broker, bank or other agent will not be entitled to vote on Proposal No. 1 at the Meeting without your instructions. Broker non-votes will be counted towards the quorum requirement. Other than for the purpose of establishing a quorum, as discussed above, broker non-votes will not be counted as entitled to be voted and will therefore not affect the outcome of the matters to be voted thereon.

Any stockholder who has submitted a proxy may revoke it at any time before it is voted, by written notice addressed to and received by our Chief Executive Officer, by submitting a duly executed proxy bearing a later date or by electing to vote in person at the Meeting. The mere presence at the Meeting of the person appointing a proxy does not, however, revoke the appointment.

IMPORTANT: If your shares are held in the name of a brokerage firm, bank, nominee or other institution, you should provide instructions to your broker, bank, nominee or other institution on how to vote your shares. Please contact the person responsible for your account and give instructions for a proxy to be completed for your shares.

Our website address is included several times in this proxy statement as a textual reference only and the information in our website is not incorporated by reference into this proxy statement.

PROPOSAL NO. 1 — ELECTION OF DIRECTORS

At the Meeting, four directors are to be elected, which number shall constitute our entire Board, to hold office until the next annual meeting of stockholders and until their successors shall have been duly elected and qualified. Pursuant to our bylaws, as amended, directors are to be elected by a majority of the votes of the shares present in person or represented by proxy at the Meeting and entitled to vote on the election of directors. This means that the four candidates receiving the highest number of affirmative votes at the Meeting will be elected as directors. Only shares that are voted in favor of a particular nominee will be counted toward that nominee’s achievement of a majority. Proxies cannot be voted for a greater number of persons than the number of nominees named or for persons other than the named nominees.

Unless otherwise specified in the proxy, it is the intention of the persons named in the enclosed form of proxy to vote the stock represented thereby for the election as directors, each of the nominees whose names and biographies appear below. All of the nominees whose names and biographies appear below are presently our directors. In the event any of the nominees should become unavailable or unable to serve as a director, it is intended that votes will be cast for a substitute nominee designated by the Board. The Board has no reason to believe that the nominees named will be unable to serve if elected. Each nominee has consented to being named in this proxy statement and to serve if elected.

**PROPOSAL NO. 2 — RATIFICATION OF THE SELECTION OF BFBORGERS CPA PC AS
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE
FISCAL YEAR ENDING DECEMBER 31, 2022.**

Our audit committee of our Board (the “Audit Committee”) has selected BF Borgers CPA PC as our independent registered public accounting firm (the “Independent Auditors”) for the current fiscal year, subject to ratification by our stockholders at the Meeting. We do not expect to have a representative of the Independent Auditors attending the Meeting.

Neither our by-laws, our other governing documents, nor other law requires stockholder ratification of the selection of the Independent Auditors as our independent registered public accounting firm. However, the Audit Committee is submitting the selection of the Independent Auditors to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain the Independent Auditors. Even if the selection is ratified, the Audit Committee in its discretion may decide to appoint a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

Required Vote

The affirmative vote of the holders of a majority of the votes cast at the Meeting is required for the ratification of the selection of the independent registered public accounting firm. Broker non-votes will not impact the outcome of the vote on this proposal but will be counted for purposes of determining whether there is a quorum.

The Board recommends a vote “FOR” the ratification of the selection of BF Borgers CPA PC as independent registered public accounting firm of the Company for the fiscal year ending December 31, 2022.

CORPORATE GOVERNANCE

Committees and Meetings of Our Board of Directors

The Board held twenty meetings and took action by consent two times during our fiscal year ended December 31, 2021 (“Fiscal 2021”). Throughout this period, each member of our Board who was a director in Fiscal 2021 attended or participated in all of the total number of meetings of our Board held during the period for which such person has served as a director, and the total number of meetings held by all committees of our Board on which each the director served during the periods such director served. Our Board has three standing committees: The Compensation Committee, the Audit Committee and the Nominating and Corporate Governance Committee.

Compensation Committee. The current members of our Compensation Committee are Mr. Irby, Mr. Horowitz and Mr. Ferrara. Mr. Irby is the current Chairman of the Compensation Committee and our board of directors has determined that all of the members of the Compensation Committee are “independent” as defined by the rules of the SEC and Nasdaq rules and regulations. The Compensation Committee operates under a written charter that is posted on our website at www.scworx.com.

The primary responsibilities of our Compensation Committee include:

- Reviewing and recommending to our Board of the annual base compensation, the annual incentive bonus, equity compensation, employment agreements and any other benefits of our executive officers;
- Administering our equity-based plans and exercising all rights authority and functions of the Board under all of the Company’s equity compensation plans, including without limitation, the authority to interpret the terms thereof, to grant options thereunder and to make stock awards thereunder; and
- Annually reviewing and making recommendations to our Board with respect to the compensation policy for such other officers as directed by our Board.

The Compensation Committee meets, as often as it deems necessary, without the presence of any executive officer whose compensation it is then approving.

Our Compensation Committee held two meetings during 2021.

Audit Committee. The current members of our Audit Committee are Mr. Ferrara, Mr. Horowitz and Mr. Wallitt. Mr. Horowitz is the Chairman of the Audit Committee, and our board of directors has determined that Mr. Horowitz is an “Audit Committee financial expert” and that all members of the Audit Committee are “independent” as defined by the rules of the SEC and the Nasdaq rules and regulations. The Audit Committee operates under a written charter that is posted on our website at www.scworx.com.

The primary responsibilities of our Audit Committee include:

- Appointing, compensating and retaining our registered independent public accounting firm;
- Overseeing the work performed by any outside accounting firm;
- Assisting the Board in fulfilling its responsibilities by reviewing: (i) the financial reports provided by us to the SEC, our stockholders or to the general public, and (ii) our internal financial and accounting controls; and
- Recommending, establishing and monitoring procedures designed to improve the quality and reliability of the disclosure of our financial condition and results of operations.

Our Audit Committee held four meetings during 2021.

Nominating and Corporate Governance Committee. The current members of our Nominating and Corporate Governance Committee are Mr. Horowitz, Mr. Ferrara, Mr. Hannibal and Mr. Irby. Mr. Ferrara is the Chairman of the Nominating and Corporate Governance Committee. Our board of directors has determined that all of the members of the Nominating and Corporate Governance Committee with the exception of Mr. Hannibal are “independent” as

defined by Nasdaq rules and regulations. The Nominating and Corporate Governance Committee operates under a written charter that is posted on our website at www.scworx.com. The primary responsibilities of our Nominating and Corporate Governance Committee include:

- Assisting the Board in, among other things, effecting Board organization, membership and function including identifying qualified Board nominees; effecting the organization, membership and function of Board committees including composition and recommendation of qualified candidates; establishment of and subsequent periodic evaluation of successor planning for the chief executive officer and other executive officers; development and evaluation of criteria for Board membership such as overall qualifications, term limits, age limits and independence; and oversight of compliance with applicable corporate governance guidelines; and
- Identifying and evaluating the qualifications of all candidates for nomination for election as directors.

Our Nominating and Corporate Governance Committee held two meetings and did not take action by consent during 2021.

Potential nominees will be identified by the Board based on the criteria, skills and qualifications determined by the Nominating and Corporate Governance Committee. In considering whether to recommend any particular candidate for inclusion in the Board's slate of recommended director nominees, our Nominating and Corporate Governance Committee will apply criteria including the candidate's integrity, business acumen, knowledge of our business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. No particular criteria will be a prerequisite or will be assigned a specific weight, nor do we have a diversity policy. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will result in a well-rounded board of directors and allow the Board to fulfill its responsibilities.

The Company has never received from stockholders proposed nominees for director. Pursuant to the Bylaws, any nominations for director made by stockholders must be received no later than 120 calendar days in advance of the first anniversary after the mailing of this proxy statement. In 2021, we did not pay a fee to any third party to identify or evaluate, or assist in identifying or evaluating, potential nominees for our Board. All of the nominees for election at the Meeting are current members of our Board, while one current member is stepping off the board.

Leadership Structure. In his position as Chairman of the Board, Mr. Irby is responsible for setting the agenda and priorities of the Board. As President and CEO, Mr. Timothy Hannibal leads our day-to-day business operations and is accountable directly to the full Board. Mr. Christopher Kohler, our CFO, reports to Mr. Hannibal and is responsible for overseeing the financial operations of the Company. We believe that this structure provides an efficient and effective leadership model for the Company.

Risk Oversight. The Board, including the Audit Committee, Compensation Committee and Nominating/Governance Committee, periodically reviews and assesses the significant risks to the Company. Our management is responsible for the Company's risk management process and the day-to-day supervision and mitigation of risks. These risks include strategic, operational, competitive, financial, legal and regulatory risks. Our Board leadership structure, together with the frequent interaction between our directors and management, assists in this effort. Communication between our Board and management regarding long-term strategic planning and short-term operational practices include matters of material risk inherent in our business.

The Board plays an active role, as a whole and at the committee level, in overseeing management of the Company's risks. Each of our Board committees is focused on specific risks within their areas of responsibility, but the Board believes that the overall enterprise risk management process is more properly overseen by all of the members of the Board. The Audit Committee is responsible for overseeing the management of financial and accounting risks. The Compensation Committee is responsible for overseeing the management of risks relating to executive compensation plans and arrangements. The Nominating and Governance Committee is responsible for setting standards for and recommending director nominees to the Board and advising the Board about corporate governance matters. While each committee is responsible for the evaluation and management of such risks, the entire Board is regularly informed through committee reports. The Board incorporates the insight provided by these reports into its overall risk management analysis.

The Board administers its risk oversight responsibilities through the Chief Executive Officer and the Chief Financial Officer, who, together with management representatives of the relevant functional areas review and assess the operations of the Company as well as operating management's identification, assessment and mitigation of the material risks affecting our operations.

The Board has not adopted any policies involving the ability of employees (including officers) or directors to pursue financial instruments or otherwise engage in transactions that hedge or offset (or are designed to hedge or offset) any decrease in the market value of the Company's Common Stock.

Our Board will give appropriate attention to written communications that are submitted by stockholders and will respond if and as appropriate. Timothy Hannibal, our Chief Executive Officer and a director, with the assistance of our outside counsel, has been primarily responsible for monitoring communications from our stockholders and for providing copies or summaries to the other directors as he considers appropriate. Communications are forwarded to all directors if they relate to substantive matters and include suggestions or comments that Mr. Hannibal considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires our executive officers and directors and persons who beneficially own more than 10% of a registered class of our equity securities to file with the SEC initial statements of beneficial ownership, statements of changes in beneficial ownership and annual statements of changes in beneficial ownership with respect to their ownership of the Company's securities, on Forms 3, 4 and 5 respectively. Executive officers, directors and greater than 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

Based solely on our review of the copies of such reports filed with the SEC, and on written representations by our officers and directors regarding their compliance with the applicable reporting requirements under Section 16(a) of the Exchange Act, and without conducting an independent investigation of our own, we believe that with respect to the fiscal year ended December 31, 2021, our officers and directors, and all of the persons known to us to beneficially own more than 10% of our common stock filed all required reports on a timely basis except as follows:

REPORT OF THE AUDIT COMMITTEE

In the course of our oversight of the Company's financial reporting process, we have: (1) reviewed and discussed with management the audited financial statements the year ended December 31, 2021; (2) discussed with the Independent Auditors the matters required to be discussed by the applicable requirements of the Public Accounting Oversight Board and the SEC; and (3) received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the standards of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with the independent accountant the independent accountant's independence.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2021, for filing with the SEC.

INFORMATION CONCERNING OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected BF Borgers CPA PC, an independent registered public accounting firm, to audit our financial statements for the year ending December 31, 2022. BF Borgers CPA PC has served as our independent registered public accounting firm since April 2021. Prior to April 2021, the Company's independent registered public accounting firm was Sadler Gibb & Associates, LLC, and for the year ending December 31, 2019, Withum served as the Company's independent registered public accounting firm. The Company does not anticipate a representative from either firm to attend the annual meeting.

On October 14, 2020, Withum Smith + Brown ("Withum"), SCWorx Corp.'s independent registered public accounting firm, notified SCWorx Corp. (the "Company" or "Registrant") that it would no longer be able to provide audit and review services to the Company, effective October 14, 2020. The audit and review services were discontinued for reasons unrelated to the reviews or audited financials of the Company. Withum had audited the Company's financial statements since 2019.

Withum's report on the Company's financial statements for the fiscal year ended December 31, 2019 did not contain an adverse opinion or disclaimer of opinion, nor was such report qualified or modified as to uncertainty, audit scope or accounting principle, except for an explanatory paragraph relating to a substantial doubt regarding the Company's ability to continue as a going concern. During the fiscal year ended December 31, 2019, and through October 14, 2020, there were no disagreements with Withum on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Withum's satisfaction, would have caused Withum to make reference to the subject matter of the disagreement in connection with its report.

During the fiscal year ended December 31, 2019, and through October 14, 2020, there were no "reportable events" as defined under Item 304(a)(1)(v) of Regulation S-K, except for material weaknesses in internal control over financial reporting.

On October 20, 2020, the Company appointed Sadler Gibb & Associates, LLC ("SG") as its new independent registered public accounting firm, effective immediately, for the fiscal year ending December 31, 2020. This appointment was authorized and approved by the Audit Committee of the Company's Board of Directors.

During the fiscal years ended December 31, 2019 and 2018 and through October 20, 2020, the Company did not consult with SG on the application of accounting principles to a specified transaction, either completed or proposed, or consult with SG for the type of audit opinion that might be rendered on the Company's consolidated financial statements, where a written report or oral advice was provided that SG concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue. In addition, the Company did not consult with SG on the subject of any disagreement, as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions or on any "reportable events" as identified under Item 304(a)(1)(v) of Regulation S-K.

As previously disclosed in the Company's Current Report on Form 8-K filed April 21, 2021, on April 15, 2021, Sadler Gibb & Associates, LLC notified the Company that it was (i) terminating its engagement to provide audit and review services to the Company, effective April 14, 2021, and (ii) withdrawing its consent and association with the Completed Interim Review of the consolidated financial statements performed by SG for the period ended September 30, 2020. SG's Letter stated that, in reaching this conclusion, it believed that it cannot rely on the representations of management and that there are disagreements between the Company and SG on matters of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of SG, would have caused SG to make reference to the subject matter of the disagreement in their reports on the Company's consolidated financial statements. The Company disagreed with SG's belief regarding the representations of management and requested the opportunity to explain its position to SG, but SG declined such request. The Company and SG also disagreed about the number of reporting units the Company has for financial reporting purposes. The Company's CFO discussed with SG the number of reporting units. In addition, the Company engaged an independent technical accounting expert who also discussed the Company's position with SG.

On April 19, 2021, the Company appointed BF Borgers CPA PC ("BFB") as its new independent registered public accounting firm, effective immediately, for the fiscal year ending December 31, 2020. This appointment was authorized and approved by the Audit Committee of the Company's Board of Directors.

Audit Committee Pre-Approval Policies and Procedures

Currently, the audit committee acts with respect to audit policy, choice of auditors, and approval of out of the ordinary financial transactions. The audit committee pre-approves all services provided by our independent registered public accounting firm. All of the above services and fees were reviewed and approved by the audit committee before the services were rendered.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our policy is to enter into transactions with related parties on terms that are on the whole no less favorable to us than those that would be available from unaffiliated parties at arm's length. Based on our experience in the business sectors in which we operate and the terms of our transactions with unaffiliated third parties, we believe that all of the transactions described below met this policy standard at the time they occurred.

At December 31, 2021 and 2020 Company had amounts due to officers in the amount of \$153,838.

During April 2020, a Company affiliated with a shareholder advanced \$475,000 in cash on the Company's behalf, to the supplier of test kits for their purchase. In May 2021, the Company returned the test kits pursuant to its sales contract in full satisfaction of the \$475,000 previously advanced.

On January 19, 2021, Marc. S. Schessel's employment as CEO of SCWorx, Corp., a Delaware corporation, ceased by mutual agreement, and the Company and Mr. Schessel concurrently entered into a consulting agreement under which Mr. Schessel will provide consulting services to the Company. The Consulting Agreement provides for annual consulting fees of \$295,000. In addition, such agreement provides for cash and equity bonuses based on revenue generation. The Consulting Agreement is for a term of two years, but may be terminated by the Company for "cause" (as defined) or by either party for any reason or no reason upon sixty days prior notice. The Consulting Agreement also contains non-competition and non-solicitation provisions which are applicable during the term of the Consulting Agreement and for a period of two years thereafter.

During September 2021, the Company's former CEO (also a significant shareholder) advanced \$100,000 in cash to the Company for short term capital requirements. This amount is non-interest bearing and payable upon demand and included in Shareholder advance on the Company's consolidated balance sheet as of December 31, 2021. Except as described above, no director, executive officer, principal stockholder holding at least 5% of our common stock, or any family member thereof, had or will have any material interest, direct or indirect, in any transaction, or proposed transaction, during 2021 or 2020 in which the amount involved in the transaction exceeded or exceeds \$103,000 or one percent of the average of our total assets at the year-end for the last two completed fiscal years.
